CALENDARS AND RGT CHRISTMAS CARDS

The calendar files are with the printers and we eagerly await their call. If you wish to place an order for calendars please comment on the thread on the forum or on GRF page on Facebook. Wall calendars are £7.50 and desk calendars £5.00. (same price as last year ;-)

Calendars will be available from the kennels, at the December walk and from us in Dundee. We are happy to post anywhere, postage charged at cost. Many thanks to all our sponsors who have covered all production costs and to Steve and Julie for photography of the homeless hounds.

Michele

We would like to add our grateful thanks to Michelle for the hard work she puts into organising the GRF calendar every year. It is no easy task but every year Michelle obtains sponsors for every page so all the proceeds from the calendar goes to GRF.

Thank you so much Michelle and also all the sponsors and Steve and Julie for their wonderful photography.

Retired Greyhound Trust Christmas Cards are available at the kennels. There is only a limited supply of these beautiful cards so get in quickly or they will be gone. Contact Jimmy for prices etc.

Monthly walks

We had a bright crisp day for the walk at Silver Sands, Aberdour

The next walk is the last walk of 2016 at Loch Leven Kinross on Sunday December 4th. We would really encourage as many of you as possible to turn out for this walk. GRF Calendars will be ready to collect at the walk so please come along and show your support for GRF

Please remember that all dogs must be on leads and to pick up after your dog. There will be a raffle after the walk so bring your pennies and if anyone has any prizes for the raffle, please bring them too. Remember that all walks are weather dependent so check the forum before you go just in case it has been cancelled (which is very rare!)

Sofa News from TH

Let me introduce myself. My name is Tippikal Hound or **TH** for Short. My best game this month has been "Hide the one of the two leggers slippers" I hid it a couple of weeks ago. He has searched everywhere including the garden but hasn't found it yet. Hee Hee!!!. My sofa mate and I know where it is but we are not letting on. We also thought it would be great fun to start getting festive and empty the tissue box, and between us we made a nice scene of newly laid snow on the living room carpet. We thought it looked cool but the two leggers didn't seem to appreciate our efforts. They are a strange pair.

More observations next month.

Take care **TH**

In loving memory of our boy Ace. 2005 - 2016

P.A.W. – Paws Across the World

Each month we feature a Greyhound/Lurcher Rescue from across the globe. This month our article has kindly been sent by Hayley and Richard Pattrick from Norfolk Greyhound Rescue.

NGR were formed last Sept by myself and my husband Richard. We had previously been volunteers for another charity for nearly nine years. But things had become stale and they no longer rescued the Irish GH., which they did when we first helped out.

We feel very passionate about rescuing Irish GH dogs., they have a very had time.....We have two main sister rescues whom we work with. PAWS animal rescue and HUG homes for unwanted greyhounds. We do take a few dogs directly from owner/trainers, but not very often. We are a very small charity really, but we work differently to other rescue. Once the dogs arrive in the UK and they are in the care of NGR we do not kennel our dogs. We place them into foster homes or they go straight to their new forever homes.

This so far has worked really well., and no dogs have been returned. Our first dogs arrived on New Year's Eve and since then we have successfully had 65 adoptions.

We have the help of several dedicated volunteers, who do home checks, some foster Dianne and Ray Davies are the techy boffins, and work wonders with our website. Everyone is good at something different and we all work well using our own unique skills.

We have talks, and fund raise a lot. We hold quizzes and attend dog events all over North Norfolk through the summer months. Its hard work, but we all love to do it and we all volunteer for free, nobody is paid within the charity. Any and all monies raised are put back into the charity funds.

TAILS FROM THE WILDERNESS **by Blue Arrigal**

Heading out of Edzell on the B966 towards Fettercairn you cross the River North Esk and chances are you won't really pay great attention to the blue door set in the stone wall.

Next time stop!

Behind the door is a spectacular walk along the river and at this time of the year gold and yellow with autumn sycamore and beech leaves.

The walk follows along the river until you come to the Rocks of Solitude. Return the same way or come back via the Glen Esk road.

Update to “A warning to us all” (July Newsletter) from Marion Roberts

Further to my article, printed as a warning in the July 2016 newsletter, I have an update. After 6 months I hadn't heard if I was to be prosecuted so I contacted the police officer for her report number then contacted the office of the Procurator Fiscal in Dundee. I was informed that the case was closed and that no prosecution would proceed. It's worth checking.

I then contacted the Dog Warden who issued the Dog Control Notice, as she had indicated that some relaxation of the conditions may be possible if we remained trouble-free for 6 months. I was looking to have muzzling made discretionary, such that Foxy would wear a muzzle in all situations where we were likely to meet other dogs but not in situations when we were unlikely to meet other dogs. She would still be on lead at all times. The warden was tentative due to other greyhound-related complaints in recent months but she agreed to amend the DCN. When I received the amended notice, she had removed the muzzling condition entirely. It pays to communicate.

I am grateful and wiser but no less contrite. I blame only myself for what happened. I hope you never go there but, if you do, please consider the following:

- 1) Be as honest as possible.
- 2) Be absolutely clear that GRF made you aware of the potential risks/responsibilities of owning an ex-racing greyhound and that, on this occasion, you made a mistake.
- 3) Be prepared to produce your rehoming agreement and microchip paperwork.
- 4) Communicate with the authorities – I have found them co-operative.
- 5) Never, ever, ever, give up on your greyhound. It wasn't their fault.
Foxy's muzzle is still her default dress code.

CHRISTMAS MARKET

In case you haven't seen the post on the forum, Evelyn Robinson has kindly arranged to do the Christmas Market again this year.

The date is Saturday 26th November, 4pm – 7pm

Please look out any unwanted gifts that could be used as raffle prizes, and leave at the kennels, Evelyn has plenty of wine but anything would be appreciated as the more Evelyn has the more money can be raised for the greyhounds.

Evelyn has raised some amazing amounts in the past with this Christmas Market so please show her your support.

You can contact Evelyn via the forum.
